New Possibilities For The Past

The place of history education in schools has sparked heated debate in Canada. Is history dead? Who killed it? Should history be put in the service of nation? Can any history be truly inclusive? This volume advances the debate by shifting the focus from what should be included in history education to how we should think about and teach the past. In[...]

Reviewing Some Early Poverty Reduction Strategy Papers In Africa

This paper reviews some early interim and full PRSPs for countries with which the authors worked during 1999-2000 (Uganda, Burkina Faso, Tanzania, Mozambique, Mali and the Gambia). the purpose of the review is to compare and contrast how the PRSP process was established there. It finds that rapid progress was made in implementing the initiative in [...]

Children Past Lives

Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children.
